Visitor parking can be found on the first floor of the Rural Road Parking Structure. The visitor parking entrance is on the north side of the structure on Terrace Mall.

Get a parking ticket out of the machine at entrance. There is a $3 per hour charge for parking ($10 maximum per day).

Due to the large number of visitors, the college does not validate parking.

After parking, walk out of the parking structure from the East side to Lemon Street and walk West (right).

Cross Lemon St. at the crosswalk, and continue South through the tall breezeway. The UPS store and then Hassayampa dining hall will be on your left.

You are now facing a large courtyard with palm trees and a long fountain. This is the entrance to Barrett.

Take the brick walkway to your left to the large gates by the fountain. After passing through the gates, Sage Hall North will be on your left (“Administrative Offices”). This is the Barrett front office and reception area.

For any last minute questions or directions, please contact the Barrett Front Desk at 480-965-4033.

Additional Parking

Metered parking is available on Apache Blvd on the south side of the Barrett complex. Cost is 25 cents per 10 minutes, with a maximum of 80 minutes.
