76588	PSY 105	Introduction to Psychology	You may submit a contract for this class	Submit

After clicking on the link, you will be presented with a listing of ASU courses. You may submit an Honors Enrichment Contract by clicking on one of the SUBMIT links next to the Class Title.

An Honors Enrichment contract is a binding agreement between you and a faculty member who provides the opportunity to enrich your course experience. Registering for a contract means making a commitment to complete the assigned work. Faculty members invest time in designing the contract experience and will expect your time and dedication to complete the project.

After reviewing the [Honors Enrichment Contract Policies and Procedures](#), please enter the details of your project on the next page. You must have discussed the contract with your faculty instructor before you submit. The faculty instructor must be a regularly appointed faculty member, not a teaching assistant, faculty associate, staff or adjunct faculty member.

I agree to the above statements.

Submit an Honors Enrichment Contract
