Barrett Honors External Examiner Program
Funding Applicable for Third Committee Members

The Barrett Honors External Examiner program is a unique chance for students and their ASU faculty directors to welcome a third committee member from outside the University. This individual is an expert in the field who specializes in the area of the student's thesis/creative project. External examiners review each thesis project, give feedback and are then provided with the opportunity to travel to campus and participate in the thesis defense. An external examiner must be a third committee member and may not be an ASU employee or faculty member.

The External Examiner Program has numerous benefits including:

- Interaction with experts nationwide
- Holding the thesis to national standards in the field
- Student and faculty networking opportunities
- Encourages dialogue among colleagues within and outside of Barrett, The Honors College
- Learning new approaches to scholarship

Funding:

- The maximum award for an in-person External Examiner is \$1500.
- This includes airfare, hotel, local travel and food.
