Fulbright US Student Program
English Teaching Assistant (ETA) Grant Application Worksheet

Applicant Name: ____________________________________________________________

Proposed Host Country: ____________________________________________________

Currently Enrolled? Y N Major(s): __________________________________________

Expected Graduation: GPA: _________________________________________________

Please answer the following questions as concisely as possible.

Why do you want to teach English? Why would an ETA experience be beneficial to you in the future?

________________________________________________________________________

Why do you want to teach in this country? Given your background, intellectual interests, and future career aims, why is this country a sensible choice for you?

________________________________________________________________________
What teaching experience have you had, and what impression did it make on you? How will these experiences translate to success as an ETA?

What is your teaching philosophy or style? What specific language-learning ideas do you have?

What other talents, skills, or experiences could you share to enrich your classroom?

What is your idea for community engagement? How will you connect with your host country’s culture?
